

Julie Rhodes Urrea has two daughters at GSLS, Pruett 1st and Jestina 3rd grades, and has been part of the GSLS community since her eldest started Kindergarten. Julie joined the GSLS School Board in January 2021. She brings experience from previous roles on private school boards helping with facility improvements, doubling fundraising efforts, and increasing the parent volunteer base. She also brings nearly 20 years of experience from her career as a CPA with KPMG LLP. Specifically auditing and consulting on financial statements and internal control programs at her global and multinational clients. Julie had led teams through large scale system implementation and process improvement projects, along with change management efforts.

Julie joined the board to contribute her time and experience to the community her daughters have grown to love at GSLS. Julie has a passion for interior design and spends her spare time renovating and designing homes. Together with her husband, Paul, a general contractor, she will bring her expertise and property improvement skills to benefit the GSLS facilities for our children, teachers and administration staff, and our community.
